WINTER NIGHT
SHELTER**

WHY NOT FUNDRAISE FOR THE NIGHT SHELTER?

The Greater Manchester Winter Night Shelter does not receive any council funding and relies on charitable giving to provide safety and shelter to rough sleepers each winter.

It costs just £30 per night to house each rough sleeper in the night shelter - this gives them at least a warm welcome, a hot meal, access to washing facilities, and a safe place to sleep.

We also work closely with the case workers at the Booth Centre to ensure that they are moved into suitable, permanent accommodation as quickly as possible.

For more information about the GMWNS or the work of Greater Together Manchester visit www.greatertogethermanchester.org. If you have any questions or would like to discuss your fundraising ideas, please email nightshelter@greatertogethermanchester.org
