

GREATER MANCHESTER
WINTER NIGHT
SHELTER

VOLUNTEERS NEEDED FOR WINTER 2016/17

The Greater Manchester Winter Night shelter provides rough sleepers with a warm welcome, food and good company as well as a warm, safe bed. This winter we plan to open every night for 6 months, and we need loads of volunteers to help us.

"I felt very good – very good people and very good community." - Homeless Guest

No specific skills or experience are necessary. Our volunteers get involved with setting the shelter up, preparing and serving meals, chatting and playing games with our guests, and cleaning up afterwards.

You can work an evening, night, or morning shift, or more than one. You don't have to commit to a weekly shift, or to the whole six months of the project - we value whatever time you can offer us.

"I love volunteering for the night shelter project. It makes you appreciate how lucky you are and how insignificant my little worries become." - Volunteer

If you can't come to any shifts, but would still like to help, you can volunteer to cook or do laundry at home, collect or deliver food, or help with fundraising.

You can get more information about volunteering and register as a volunteer on our website:
www.gmwns.wordpress.com.
