Women's Footprints Celebrating International Women's Day 2021

Women In Leadership

Monday 8 March 10am - 12 noon. Journey into the successful roles of our guest speakers. They will share the challenges and barriers they faced.

Women In Business & Construction

Tuesday 9 March 10am - 12 noon. Interested in entering into construction or do you have a business idea? Come along for a general discussion.

Women's Personal Development

Wednesday 10 March 10am - 12 noon. Looking at yourself and the world around you. Setting yourself goals and how to achieve them.

Women In Our Community (that's YOU!)

Thursday 11 March 2021 10am - 12 noon. Come along to our open session. Bring your poems, stories, dance routine, songs, anything you'd like to share.

All the sessions will be online on Zoom. For the code or any further details, please contact Mo@brunswickchurch.org.uk or call 07938959284.

All attendees will be entered into a prize draw

Positively enriching the lives of women

We are developing a network for women to access, training, personal development and wellbeing. We will do this by working with other organisations and projects, signposting for professional support, celebrating and promoting cultural differences, promote and encourage women to join the group and provide a safe and confidential space.
